

# Hand Sanitizer Kiosks

Introducing  
a simple, knockdown,  
fully branded  
wellness kiosk —  
Less is more!

## Cost Effective Wellness Kiosks

As schools and businesses reopen, public safety and well-being become increasingly important.

Image Options offers a cost effective, easy to manufacture and transport unit that makes people feel more comfortable in their environment. Adding your own custom branding and messages lets them know you care.

Ideal for offices, schools and universities, retail establishments as well as any other public venue, the IO Hand Sanitizer Kiosk combines form and function for a fully integrated entrance/exit sanitizing station, creating a safer and welcoming environment as we begin to spend more time around others.

Contact us today to see how Image Options can customize a solution for you.
