

IO Student Desk Shield

Lightweight, disposable and easily portable desk shield

- Designed for students for simple desktop protection
- Lightweight and easily folds
- Handle for carrying to next class
- Economical price point for full district use
- Provides protection and flexibility
- Easy to clean & wipe down
- Optically Clear
- Visibility on all sides

Students can carry their own personal, portable, folding Student Desk Shield anywhere they go. This proprietary design of fluted cardboard and optically clear polyester film creates a lightweight and sturdy desk shield. A built-in handle allows for convenient portability.

This desk shield is perfect for all K-12 students. Whether they stay in one classroom, or move from class to class, these guards provide a quick and inexpensive layer of additional protection for everyone.
