

# IO FACE SHIELD

First of its kind, interchangeable face shield with proprietary headband locking system. Double-notched headband locking design allows the band to be inserted through the shield and lock into place. Prevents uncoupling and allows easy removal / changeout with a simple twist-motion of our proprietary band.

## Produced under the FDA Emergency Use Authorization

- Optically clear
- Use as a physical barrier from liquids
- Not for protection against open flames or sparks
- Not impact resistant

## Materials:
